APPROVING FACILITY PLAN OF THE DEPARTMENT OF PUBLIC WORKS FOR THE CONSTRUCTION OF THE SOUTHWEST WATER POLLUTION CONTROL PLANT; CERTIFYING REVIEW AND CONSIDERATION OF THE ENVIRONMENTAL IMPACT REPORT ON THE SOUTHWEST WATER POLLUTION CONTROL PLANT; FINDINGS OF BOARD OF SUPERVISORS ON MITIGATION MEASURES; DETERMINATION TO PROCEED WITH PROJECT BASED ON IMPLEMENTATION OF MITIGATION MEASURES AND OVERRIDING NEED TO CONSTRUCT THE SOUTHWEST WATER POLLUTION CONTROL PLANT.

WHEREAS, The Chief Administrative Officer has transmitted to this Board of Supervisors a facility plan setting forth the basic guidelines for the design of a sewage treatment plant to be constructed in the southwest portion of San Francisco; and

WHEREAS, The sewage treatment plant will be designed to meet the requirements of the Ocean Plan approved by the State Water Resources Control Board and the Cease and Desist Orders issued by the Regional Water Quality Control Board concerning the City's wastewater treatment program; and

WHEREAS, The design of this plant will be structured so as to provide primary treatment in accordance with the ocean waiver standards of the Environmental Protection Agency; and

WHEREAS, The modular design of this plant would permit the construction of a larger or smaller plant to accommodate a variety of overall plans for wastewater treatment and comply with the requirements of the Ocean Plan approved by the State Water Resources Control Board; and

WHEREAS, The City Planning Commission after review, consideration and evaluation of the information, comments and responses, analyses and assessments contained in the Final Environmental Impact Report for the Southwest Water Pollution Control Plant certified by Resolution No. 8359, dated August 23, 1979, that the Final Environmental Impact Report is adequate, accurate and objective, and has been completed in accordance with all applicable legal requirements; and

WHEREAS, The City Planning Commission has further found that the construction and operation of the Southwest Water Pollution Control Plant described in the Final Environmental Impact Report will have a significant effect on (1) visual character of the site, including the removal of mature trees; (2) energy consumption during construction and operation; and (3) would be a significant source of concern to users and staff of the Recreation Center for the Handicapped; and

WHEREAS, In accordance with Section 31.29 of the San Francisco Administrative Code the City Planning Commission has transmitted the Final Environmental Impact Report to the Board of Supervisors of the City and County of San Francisco for its review and consideration prior to taking action which would commit the City to the construction and operation of the Southwest Water Pollution Control Plant; and

WHEREAS, Under the applicable provisions of the California Environmental Quality Act of 1970, as amended, (CEQA), the State EIR Guidelines, and Chapter 31 of the San Francisco Administrative Code the Board of Supervisors is required (1) to review and consider the Final Environmental Impact Report prior to making a decision to proceed with the Southwest Water Pollution Control Plant; (2) in taking any action committing the City to a project having significant environmental effects, to impose feasible mitigation measures to mitigate or avoid any significant effects on the environment that would otherwise result from such project; and (3) to state the overriding considerations or public objectives that justify approval of the construction of the Southwest Water Pollution Control Plant; now, therefore, be it

/ / / / /

DOCUMENTS DEPT.
FEB 25 1980
SAN FRANCISCO PUBLIC LIBRARY

RESOLVED, That this Board of Supervisors, after due consideration and deliberation, finds and certifies that:

1. The Final Environmental Impact Report has been reviewed and considered by the Board of Supervisors.

2. The construction and operation of the Southwest Water Pollution Control Plant will have significant effects on:

a. the visual character of the site, including the removal of mature trees,

b. energy consumption during construction and operation, and

c. would be a significant source of concern to the users and staff for the Recreation Center for the Handicapped; and, be it

FURTHER RESOLVED, That the first significant effect relating to visual character of the site will be partially mitigated by the following measures:

1. That during the Step 2 design phase of the project the Wastewater Program would minimize the size of cut required through the earth berm along Skyline Boulevard for tunnel access in order to preserve the existing berm and vegetation to the greatest extent possible;

2. The construction of berms would begin near the Zoo and Park Road intersection in order to screen views of the construction areas from adjacent lands;

3. The contractor would be responsible for maintaining the site in a reasonably clean and litter free condition; the contractor would be required to provide on-site storage of equipment whenever possible;

4. The contractor would be required to screen storage and parking areas in order to minimize views of construction related materials to adjacent recreation users; and, be it

/ / / / /

FURTHER RESOLVED, That the significant effect of energy consumption during construction and operation of the project would be partially mitigated by the design of a plant which would maximize gravity flow within the Southwest Water Pollution Control Plant and during the design, consideration of energy conservation methods and alternative energy sources; and, be it

FURTHER RESOLVED, That the significant source of concern to users and staff of the Recreation Center for the Handicapped would be mitigated by measures to control dust and blowing sand, to route construction and operational traffic away from the Center's entrance and parking area, the installation of a fifteen foot (15') high berm and noise barrier, a dust and particulate emission study to mitigate the impact of construction activities on the site, the installation of permanent odor control facilities, and retention of some trees on the berm adjacent to the Center; and, be it

FURTHER RESOLVED, That pursuant to the State EIR Guidelines this Board of Supervisors finds that, although provision of an approximate three (3) acres for the expansion of the Recreation Center for the Handicapped might reduce the concerns of the Recreation Center staff and users, it is infeasible for the Board to provide such land since, pursuant to the Charter, the exclusive management and control of the adjacent land is under the jurisdiction of the Recreation and Park Commission; and, be it

FUTHER RESOLVED, That the Board of Supervisors urges the Recreation and Park Commission to cooperate to the greatest extent possible in providing an approximate three (3) acres for expansion of the Recreation Center for the Handicapped as further mitigation of the significant concerns of the Recreaction Center staff and users of the facility; and, be it

/ / / / /

FURTHER RESOLVED, That this Board of Supervisors finds and determines that construction and operation of the Southwest Water Pollution Control Plant would be beneficial to the environment of the City in reducing the discharge of pollutants into the San Francisco Bay and in reducing discharges of untreated sewage into the bay and ocean; and, be it

FURTHER RESOLVED, That the alternative of no project at all would have a more significant effect on the environment than construction of the Southwest Water Pollution Control Plant with the partially mitigated significant effects; and, be it

FURTHER RESOLVED, That this Board of Supervisors does hereby approve the facility report on the design of the Southwest Water Pollution Control Plant; and, be it

FURTHER RESOLVED, That the Clerk of the Board of Supervisors be, and is hereby, directed to submit copies of this resolution to the Regional Water Quality Control Board San Francisco Bay Region and the State Water Resources Control Board.

At the option of the bondholder, coupons maturing on and after August 1, 1990, may be exchanged for coupons bearing such rate so established. Additional notification of such option shall be included by the Trustee and the Paying Agents with the payment of the coupons maturing February 1, 1990.

The 1980 Bonds may be issued as coupon 1980 Bonds in the denomination of $5,000 or as fully registered 1980 Bonds without coupons in the denominations of $5,000 or any authorized multiple of $5,000. The coupon 1980 Bonds shall be numbered C1 to C1820, inclusive, in consecutive numerical order from lower to higher, and shall bear interest from February 1, 1980. The interest coupons attached thereto shall be numbered in consecutive numerical order from 1 up in the order of their respective maturities. Each such coupon shall represent six months' interest on the coupon 1980 Bond to which it is attached.

Each fully registered 1980 Bond shall bear interest

from the interest payment date next preceding the date of authentication and registration thereof unless it is authenticated and registered as of an interest payment date, in which event it shall bear interest from the date thereof, or unless it is authenticated and registered prior to August 1, 1980, in which event it shall bear interest from February 1, 1980; provided, however, that if, at the time of authentication and registration of any fully registered 1980 Bond, interest is in default on outstanding 1980 Bonds, such fully registered 1980 Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the outstanding 1980 Bonds. Payment of the interest on any fully registered 1980 Bond shall be made to the person appearing on the bond registration books of the Trustee as the registered owner thereof, such interest to be paid by check or draft mailed to the registered owner at his address as it appears on such registration books or at such address as he may have filed with the Trustee for that purpose.

The 1980 Bonds shall be subject to redemption as provided in Article IV and Section 5.04 of the Resolution.

The Board hereby directs that there shall be included in each of the 1980 Bonds a certification and recital that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of said 1980 Bond, do exist, have

happened and have been performed in due time, form and manner as required by law, that the 1980 Bonds are issued pursuant to the Act, and that the amount of said 1980 Bonds, together with all other obligations of the City, does not exceed any limit prescribed by this Resolution, the Charter of the City or statutes of the State of California, and such certification and recital shall be in substantially the form set forth in the forms of Bonds prescribed in Section 2.03. From and after the issuance of the 1980 Bonds the findings and determinations of the Board respecting the 1980 Bonds shall be conclusive evidence of the existence of the facts so found and determined in any action or proceeding in any court in which the validity of the 1980 Bonds is at issue and no bona fide purchaser of any 1980 Bond containing the foregoing certification and recital shall be required to see to the existence of any fact, or to the performance of any condition, or the taking of any proceeding, required prior to such issue, or to the application of the purchase price paid for the 1980 Bonds. The 1980 Bonds shall be deemed to be issued, within the meaning of this Resolution, whenever the definitive 1980 Bonds, or any temporary 1980 Bonds exchangeable therefor, have been delivered to the purchasers thereof, and the purchase price thereof received, or in the case of 1980 Bonds to be refunded through exchange, whenever such exchange has been made.

SECTION 13.04. Form of Bonds. (a) The coupon

1980 Bonds, the interest coupons to be attached thereto and the form of Trustee's certificate of authentication to appear thereon shall be in substantially the following forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution:

Both the principal hereof and interest hereon are payable in lawful money of the United States of America at the principal office of Bank of America National Trust and Savings Association, the Trustee of the City, in San Francisco, California, or, at the option of the holder, at the principal office of Bankers Trust Company, in New York, New York, or at the office of Harris Trust and Savings Bank in Chicago, Illinois, the paying agents of the City.

This Bond is one of a duly authorized issue of City and County of San Francisco 1980 Residential Rehabilitation Revenue Bonds (herein called the "Bonds") of an aggregate principal amount of Nine Million One Hundred Thousand Dollars ($9,100,000), all of like tenor and date (except for such variations as may be required to designate varying numbers, maturities, interest rates or redemption provisions), all issued and to be issued pursuant to the provisions of the laws of the State of California, including the Marks-Foran Residential Rehabilitation Act of 1973, as amended (herein called the "Act"), and pursuant to Resolution No. 832-76, as supplemented, adopted by the Board of Supervisors of the City on October 25, 1976 (herein called the "Resolution"). Reference is hereby made to the Resolution, to any resolutions supplemental thereto and to the Act for a description of the terms on which the Bonds are issued and to be issued, the provisions

with regard to the nature and extent of the Revenues, as that term is defined in the Resolution, and the rights of the holders and registered owners of the Bonds and of the bearers of the appurtenant coupons; and all the terms of the Resolution and the Act are hereby incorporated herein and constituted a contract between the City and the holder from time to time of this Bond, and to all the provisions thereof the holder of this Bond, by his acceptance hereof, consents and agrees.

Neither the faith and credit nor the taxing power of the City is pledged to the payment of the principal of or interest on this Bond. All Bonds are subject to redemption prior to their respective stated maturities, without premium, under the circumstances and upon the terms and conditions set forth in the Resolution, from moneys in the Redemption Fund provided for in the Resolution, at the principal amount thereof and accrued interest thereon to the date of redemption.

The Bonds are issuable as coupon Bonds in the denomination of $5,000, and as fully registered Bonds without coupons in denominations of $5,000 and any authorized multiple thereof. Coupon Bonds and fully registered Bonds are exchangeable upon the terms and conditions of, and upon payment of the charges, if any, provided in the Resolution.

This Bond is negotiable and transferable by delivery, and the City, the Trustee and any paying agent of the City may treat the bearer hereof, or the bearer of any coupon appertaining hereto, as the absolute owner hereof or of such coupon, as the case may be, for all purposes, whether or not this Bond or such coupon shall be overdue, and the City, the Trustee and any such paying agent shall not be affected by any notice to the contrary.

The rights and obligations of the City and of the holders and registered owners of the Bonds may be modified or amended at any time in the manner, to the extent, and upon the terms provided in the Resolution, provided that no such modification or amendment shall (i) extend the fixed maturity of any Bond, or reduce the principal amount thereof, or reduce the rate of interest (subject to the interest adjustment on Bonds maturing February 1, 1991 through February 1, 2000, as provided in the Resolution) thereon or extend the time of payment of interest thereon, without the consent of the holder of each Bond so affected, or (ii) reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, without the consent of the holders of all of the Bonds then outstanding, or (iii) without its written consent thereto, modify any of the rights or obligations of the Trustee.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of this Bond, do exist, have happened and have been performed in due time, form and manner as required by law, that the Bonds are issued pursuant to the Act, and that the amount of this Bond, together with all other obligations of the City, does not exceed any limit prescribed by the Resolution, the Charter of the City or the statutes of the State of California.

SECTION 13.05. Execution of 1980 Bonds. All of the 1980 Bonds shall be executed in the name and on behalf of the City and under its seal, with the manual or facsimile signature of the Mayor of the City and the manual or facsimile countersignature of the Clerk of the Board. The seal of the City may be impressed or reproduced by facsimile on the 1980 Bonds.

In case any such officer whose signature or countersignature appears on the 1980 Bonds shall cease to be such officer before the Bonds so signed shall have been authenticated or delivered, such signature or countersignature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until the delivery of the 1980 Bonds, and such 1980 Bonds shall be issued and outstanding hereunder and shall be as binding upon the City as though the person who signed such 1980 Bonds had been such official on the date borne by the 1980

Bonds and on the date of delivery. Also, any 1980 Bond may be signed and sealed on behalf of the City by such person as at the actual date of execution of such 1980 Bond shall be the Mayor or the Clerk of the Board, as the case may be, although on the date borne by such 1980 Bond such person shall not have been such official.

Only such of the 1980 Bonds as shall bear thereon a certificate of authentication or certificate of authentication and registration in the respective forms hereinbefore recited, executed by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Trustee shall be conclusive evidence that the 1980 Bonds so authenticated or authenticated and registered have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

Prior to the delivery of any coupon 1980 Bond, all coupons thereon then matured shall be detached and cancelled by the Treasurer or by the Trustee and delivered to or upon the order of the City.

SECTION 13.06. Transfer of Coupon 1980 Bonds. All coupon 1980 Bonds shall be negotiable and transferable by delivery. The City, the Trustee and any Paying Agent may treat the bearer of any coupon 1980 Bond, whether or not such 1980 Bond shall be overdue, and the bearer of any coupon, whether or not such coupon shall be overdue, as the absolute owner of such 1980 Bond or coupon for the purpose of receiving payment thereof and for all other purposes whatsoever, and the City, the Trustee and any

Paying Agent shall not be affected by any notice to the contrary.

SECTION 13.07. Transfer of Fully Registered 1980 Bonds. Any fully registered 1980 Bond without coupons may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such fully registered 1980 Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee.

Whenever any 1980 Bond shall be issued under this Resolution as a fully registered 1980 Bond without coupons, there shall be reserved by the Trustee unissued an aggregate principal amount of coupon 1980 Bonds, of the same maturity and of the denomination of $5,000, equal to the principal amount of such fully registered 1980 Bond, and in such case the serial number or numbers of the coupon 1980 Bond or Bonds so reserved, together with an appropriate statement as to such reservation, shall be endorsed on such fully registered 1980 Bond.

Whenever any fully registered 1980 Bond or Bonds without coupons shall be surrendered for transfer, the City shall execute and the Trustee shall authenticate and deliver a new fully registered 1980 Bond or Bonds without coupons, of the same maturity and for a like aggregate principal amount, which shall have endorsed thereon the same coupon 1980 Bond serial number or numbers, if any, so reserved. The Trustee shall require the payment by the Bondholder

requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfers of fully registered 1980 Bonds shall be required to be made during the fifteen days next preceding each interest payment date.

SECTION 13.08. Exchange of 1980 Bonds. Fully registered 1980 Bonds without coupons may be exchanged at the principal office of the Trustee in San Francisco, California, for a like aggregate principal amount of coupon 1980 Bonds of the same maturity (or for a like aggregate principal amount of fully registered 1980 Bonds of other authorized denominations of the same maturity), and coupon 1980 Bonds may be exchanged at said office of the Trustee for a like aggregate principal amount of fully registered 1980 Bonds of authorized denominations of the same maturity. All coupon 1980 Bonds surrendered for exchange and delivered in exchange shall have attached thereto all unmatured coupons appertaining thereto (and any matured coupons in default). The Trustee shall preserve coupon 1980 Bonds surrendered to it for exchange, and may subsequently reissue said coupon 1980 Bonds in exchange for a like aggregate principal amount of fully registered 1980 Bonds, as hereinabove provided, after detaching all matured interest coupons appertaining thereto. No charge shall be made to any holder of 1980 Bonds upon the exchange of such 1980 Bonds, except that the Trustee shall require the payment by the Bondholders requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. No such exchange shall be required to be made during the fifteen days next preceding each interest

payment date. Any 1980 Bonds issued in exchange for other 1980 Bonds pursuant to this Section 13.08 shall bear the same special legends that appeared on the 1980 Bond surrendered for such exchange.

SECTION 13.09. Temporary 1980 Bonds. Any 1980 Bonds may be initially issued in temporary form exchangeable for definitive 1980 Bonds when ready for delivery. The temporary 1980 Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the City, shall be without coupons and may contain such reference to any of the provisions of this Resolution as may be appropriate. The temporary 1980 Bonds may be in the form of a single registered 1980 Bond payable in installments, each on the date, in the amount and at the rate of interest established in Section 13.03 for 1980 Bonds maturing on such date. Every temporary 1980 Bond shall be executed by the City and be authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive fully registered 1980 Bonds without coupons, provided, however, that such temporary 1980 Bond may be a single 1980 Bond having more than one maturity amount and date. If the City issues temporary 1980 Bonds, it will execute and furnish definitive 1980 Bonds without delay and thereupon the temporary 1980 Bonds may be surrendered, for cancellation, in exchange therefor at the principal office of the Trustee in San Francisco, California, and the Trustee shall deliver in exchange for such temporary 1980 Bonds an equal aggregate principal amount of definitive coupon 1980 Bonds or definitive fully registered 1980 Bonds without coupons of authorized denominations. Until so exchanged, the temporary 1980 Bonds shall be entitled to the same benefits under this Resolution as definitive 1980 Bonds delivered hereunder.

SECTION 13.10. Issuance and Authentication of 1930 Bonds. At any time after the adoption of this Resolution, the City may execute and the Trustee may authenticate and deliver 1980 Bonds in the aggregate principal amount of not to exceed nine million one hundred thousand dollars ($9,100,000).

SECTION 13.11. Application of Proceeds of 1980 Bonds. The proceeds received by the City from the sale of the 1980 Bonds shall be deposited with the Trustee, who shall, with appropriate proration in all funds, forthwith set aside such proceeds in the following respective funds:

(a) The Trustee shall set aside in the Interest Fund (established pursuant to Section 5.03) any accrued interest received upon the sale of the 1980 Bonds.

(b) The Trustee shall set aside in the Reserve Fund (established pursuant to Section 5.03) the sum of eight hundred eighty thousand dollars ($880,000).

(c) The Trustee shall set aside in the Delinquency Reserve Fund (established pursuant to Section 5.03) the sum of one hundred thousand dollars ($100,000).

(d) The Trustee shall set aside in the Operation and Expense Fund (established pursuant to Section 5.03) an amount equal to the estimated Operation Costs and Expenses as set forth in the budget provided for in Section 5.03 for the period commencing with the date of delivery of the 1980 Bonds and ending June 30, 1980, not heretofore deposited or provided for.

(e) The Trustee shall set aside the remainder of said proceeds in the "City and County of San Francisco Residential Rehabilitation Mortgage Fund" in a separate account thereof entitled (and the Master Resolution is hereby amended to incorporate this title) the "1980 Residential Rehabilitation Revenue Bonds Mortgage Acquisition Account" (herein called the "Mortgage Acquisition Account"), which the Trustee shall establish and maintain.

SECTION 13.12. Use of Proceeds of 1980 Bonds. The proceeds of the 1980 Bonds will be used for property owner loans exclusively in the Inner Richmond and Upper Ashbury designated Rehabilitation Assistance Program areas and for property owner loans not to exceed a total of $100,000 in the three existing Federally Assisted Code Enforcement areas of Alamo Square, Duboce Triangle and Bernal Heights. No more than ten percent (10%) of the proceeds of the 1980 Bonds or such greater amount as may be permitted by law may be used to refinance existing indebtedness of any participating party as that term is defined in the Act.

On the date three years after the date of delivery of the 1980 Bonds, the City shall file with the Trustee a Certificate of the City stating that all Promissory Notes to be acquired have been acquired and also stating that all incidental expenses of the City payable from Bond proceeds have been determined and paid. Upon such receipt, the Trustee shall thereupon

transfer any remaining balance in the Mortgage Acquisition Account to the Redemption Fund established pursuant to Section 5.04, all in accordance with Section 3.03.

SECTION 13.13. No Arbitrage. The City hereby covenants with the holders of all 1980 Bonds at any time outstanding that it will make no use of the proceeds of any of the 1980 Bonds or any other funds of the City which will cause such 1980 Bonds to be "arbitrage bonds" subject to federal income taxation by reason of section 103(c) of the Internal Revenue Code of 1954, as amended. To that end, so long as any of the 1980 Bonds are outstanding, the City, the Trustee, any Paying Agents, the Treasurer and all other officers having custody or control of such proceeds or other funds shall comply with all requirements of said section 103(c) and all regulations of the United States Department of the Treasury issued thereunder, to the extent that such requirements are, at the time, applicable and in effect.

SECTION 13.14. Order to Sell 1980 Bonds. OFFICIAL NOTICE OF SALE

$9,100,000

CITY AND COUNTY OF SAN FRANCISCO

1980 RESIDENTIAL REHABILITATION REVENUE BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the City and County of San Francisco at the office of the Clerk of the Board of Supervisors of the City and County of San Francisco, City Hall, San Francisco, California 94102, on

Monday, March 3, 1980

at 11:00 A.M. for the purchase of $9,100,000 principal amount of City and County of San Francisco 1980 Residential Rehabilitation Revenue Bonds (the "bonds"), authorized to be issued under the provisions of a resolution of the Board of Supervisors of the City and County of San Francisco adopted on August 21, 1976, as supplemented, (collectively, the "Resolution") and pursuant to the Marks-Foran Residential Rehabilitation Act of 1973, as amended, (being Part 13 of Division 24 of the Health and Safety Code of the State of California). The bonds are more particularly described in the Resolution (which is incorporated herein by reference) and copies thereof will be furnished to any interested bidder upon request. The bonds hereby offered for sale are generally described as follows:

"EXHIBIT A"

ISSUE: $9,100,000 consisting of 1,820 coupon bonds of the denomination of $5,000 each, numbered C1 to C1820, inclusive, or in fully registered form without coupons in denominations of $5,000 or multiples thereof, all dated February 1, 1980. Additional bonds may be issued on a parity with the bonds on the terms and subject to the conditions set forth in the Resolution.

INTEREST RATE: Bonds maturing on or prior to February 1, 1990 shall bear interest at the rate designated by the Board at the time of sale of the bonds. Bonds maturing on February 1, 1991 through February 1, 2000, both inclusive, shall bear interest at the rate designated by the Board at the time of sale of bonds from their date through February 1, 1990, and, from February 1, 1990 through February 1, 2000, such bonds shall bear interest at a rate or rates determined on or prior to February 1, 1991, to be the current prevailing market rate for nationally traded "Aa" or equivalently rated ten-year general obligation tax-exempt securities, all as provided in Section 13.03 of the Resolution. The rate designated by the Board at the time of sale of the bonds shall not exceed eight per cent (8 %) per annum, payable semiannually on August 1 and February 1 of each year. Bidders must specify the rate or rates of interest which the bonds shall bear. Bidders will be permitted to bid different rates of interest provided that: (i) the difference between the lowest and highest rates specified in any bid shall not exceed 1-1/2% per annum; (ii) each interest payment shall be represented by a single coupon and supplemental coupons will not be

permitted; (iii) each bond must bear a single rate of interest payable from its date to its stated maturity date at the interest rate specified in the bid; (iv) each interest rate specified must be in a multiple of 1/8 or 1/20 of 1% per annum and a zero rate of interest must not be specified; (v) no bid will be accepted which provides for the cancellation or surrender of any interest coupon or the waiver of any interest on any of the bonds or other concession by the bidder as a substitute for payment in full of the purchase price (including premium); and (vi) all bonds of the same maturity must bear the same rate of interest. Bids which do not conform to the terms of this paragraph will be rejected. Should an interest rate be specified which results in annual interest payments not being equally divisible between the semiannual coupons in cents, the first semiannual coupon will be reduced to the next lower cent, the second semiannual coupon will be raised to the next higher cent and all subsequent coupons for interest at that rate will alternate between the lower and higher figures.

MATURITY: The bonds mature in consecutive numerical order from lower to higher, on February 1 in the following years and in the following amounts:

Year	Principal Amount	Year	Principal Amount
1982	$ 245,000	1991	$ 445,000
1983	260,000	1992	480,000
1984	280,000	1993	510,000
1985	300,000	1994	550,000
1986	320,000	1995	585,000
1987	340,000	1996	625,000
1988	365,000	1997	670,000
1989	390,000	1998	720,000
1990	420,000	1999	770,000
		2000	825,000

REDEMPTION: All bonds are subject to redemption prior to their respective stated maturities, without premium, by the City, as a whole or in part, on any interest payment date, at par and accrued interest to the date of redemption, upon the terms and conditions of, and as provided for in, the Resolution.

PAYMENT: Both principal and interest are payable in lawful money of the United States of America, at the principal office of the Trustee, Bank of America National Trust and Savings Association in San Francisco, California. In the case of coupon bonds, both principal and interest are also payable, at the option of the holder, at the principal office of Bankers Trust Company, in New York, New York, or at the office of Harris Trust and Savings Bank in Chicago, Illinois, the paying agents of the City.

REGISTRATION: Coupon bonds may be exchanged for a like aggregate principal amount of fully registered bonds of authorized denominations of the same maturity, and fully registered bonds may be exchanged for a like aggregate principal amount of coupon bonds (or for a like aggregate principal amount of fully registered bonds of other authorized denominations) of the same maturity. There will be no charge for the first exchange of any definitive bond in the form in which it is originally issued.

PURPOSE: The bonds are to be issued to make long-term, low-interest loans to finance residential rehabilitation in depressed residential areas in order to encourage the upgrading of properties in such areas.

SECURITY: The bonds are secured by a first and exclusive pledge of the Revenues (as defined in the Resolution). Bidders are referred to the Resolution for further particulars.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds (a) the income received by any private holder from bonds of the same type and character shall be declared to be taxable (either at the time of such declaration or at any future date) under any federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse tax effect on holders of the bonds as such, the successful bidder may, at his option, prior to the tender of the bonds by the City, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Orrick, Herrington, Rowley & Sutcliffe, of San Francisco, California, approving the validity of the bonds, will be furnished to the successful bidder without charge. A copy of the legal opinion certified by the official in whose office the original is filed, will be printed on each bond without charge to the purchaser.

AGREEMENT TO BID: Bank of America National Trust and Savings Association has agreed to submit a bid for the bonds at a rate equal to the current prevailing market rate for nationally traded "Aa" or equivalently rated ten-year general obligation tax-exempt securities.

TERMS OF SALE

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale and for not less than par value thereof and accrued interest (excluding interest coupons as to which the interest rate or rates have yet to be specified) to date of delivery. Each bid, together with bidder's check, must be enclosed in a sealed envelope addressed to the City and County of San Francisco, c/o Clerk of the Board of Supervisors of the City and County of San Francisco, at the address above mentioned and endorsed "Proposal for Purchase of City and County of San Francisco 1980 Residential Rehabilitation Revenue Bonds."

HIGHEST BID: The bonds will be awarded to the highest responsible bidder, considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the City would be required to pay from the date of the bonds to their maturity dates at the coupon rate or rates specified in the bid (excluding interest coupons as to which the interest rate or rates have yet to be specified), and the award will be made on the basis of the lowest net interest cost to the City. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. All interest will be computed on a 360-day year basis. The cost of printing the bonds will be borne by the City.

RIGHT OF REJECTION: The City reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: Subject to the above conditions of sale, the City will take action awarding the bonds or rejecting all bids not later than 7 days after the expiration of the time herein prescribed for the receipt of proposals, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

DELIVERY AND PAYMENT: Delivery of the bonds will be made to the successful bidder at the principal office of the Trustee, Bank of America National Trust and Savings Association, in San Francisco, California, as soon as the bonds can be prepared, which the City estimates will be within 30 days from the date of sale. Payment for the bonds must be made in funds immediately available to the City in San Francisco, California.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the City shall fail to execute the bonds and tender the same for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

BID CHECK: With each bid must be submitted a certified check or cashier's check for $100,000 drawn on a bank or trust company transacting business in the State of California, payable to the order of the City to secure the City from any loss resulting from the failure of the bidder to comply with the terms of his bid. Checks of the unsuccessful bidders will be returned by the City by mail upon the award of the

bonds. No interest will be paid upon the deposit made by any bidder.

ESTIMATE OF NET INTEREST COST: Bidders are requested, but not required, to supply an estimate of the total net interest cost to the City on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the City.

NO LITIGATION: There is no litigation pending concerning the validity of the bonds, the corporate existence of the City or the title of the officers thereof to their respective offices, and the City will furnish to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

SUMMARY OF FINANCIAL INFORMATION: The City has caused a summary of financial information to be prepared, copies of which may be obtained at the office of the City's Financing Consultant, Blyth Eastman Paine Webber Incorporated, 555 California Street, San Francisco, California 94104, Attention: Municipal Finance Department.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on said bonds but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for said bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on said bonds shall be paid for by the issuer.

WHEREAS, A tentative map for a six-unit condominium subdivision dated September 1979, was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

953 Clayton Street, Lot 7 in Assessor's Block 1279; and

WHEREAS, On December 20, 1979, after a public hearing, the City Planning Commission adopted Resolution No. 8457, finding the condominium subdivision to be not consistent with the Master Plan, as the development would decrease the availability of the rental housing stock of the City; and

WHEREAS, On December 24, 1979, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 8457; and

WHEREAS, On January 3, 1980, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, January 28, 1980; and

WHEREAS, On Monday, January 28, 1980, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

WHEREAS, On Monday, February 4, 1980, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition No. 1:

Subdivider must offer units to tenants at a discount of ten percent from the prices at which offered to the general public.

Condition No. 2:

Each tenant may continue to occupy his unit until such time as said unit is sold, on the same rental terms and conditions now in effect, except that there may be an increase based on any increase in the rental housing component of the U.S. Consumer Price Index; provided, however, that any rent increase shall conform to the provisions of the San Francisco Residential Rent Stablization and Arbitration Ordinance (Ord. No. 276-79, as amended).

Condition No. 3:

If, from time to time, prices at which units are offered for sale are reduced, the units shall be offered to the tenants at reduced prices before they are offered at the reduced prices to the general public.

Condition No. 4:

If a tenant-purchaser offers the purchased unit for sale within two years from date of purchase, the subdivider shall be entitled to buy back the unit at the original sale price, plus the percentage increase shown in the then current Housing Component of the U.S. Consumer Price Index, if any.

AUTHORIZING THE SAN FRANCISCO PUBLIC LIBRARY TO APPLY FOR AND ACCEPT FEDERAL FUNDS AVAILABLE THROUGH THE CALIFORNIA STATE LIBRARY TO FUND A PROJECT TO DEVELOP A STRATEGY FOR RETROSPECTIVE CATALOG CONVERSION DURING 1980-81.

WHEREAS, the California State Library has available federal Library Service and Construction Act funds for the improvement of library services;and

WHEREAS, the San Francisco Public Library wishes to submit an application to the State of California to develop and test a strategy for improving access to the rich collections of the Main Library by producing a computer generated list of library holdings; and

WHEREAS, the City and County of San Francisco and numerous other cities and counties in California are seeking to require the removal of unsightly billboards, and

WHEREAS, such removal has been encouraged by federal and state laws, and

WHEREAS, current statutes and court rulings only require cities and counties to provide an amortization period during which billboards could remain in place, and

WHEREAS, the State Senate is presently considering Senate Bill 462 which would require cities and counties which adopt zoning ordinance outlawing billboards to enforce the prohibition only through the use of eminent domain and by the payment of the fair market value of the structure rather than through the currently used amortization procedure, and

AMENDED IN COMMITTEE 1/31/80

FILE NO. 309-79-1 RESOLUTION NO. 152-80

REQUESTING THE UNITED STATES SECRETARY OF TRANSPORTATION TO WITHDRAW FROM THE INTERSTATE SYSTEM PURSUANT TO THE 1976 FEDERAL AID HIGHWAY ACT THE SEGMENT OF I-280 EXTENDING FROM ITS CURRENT TERMINUS TO ITS PROPOSED CONNECTION WITH THE EMBARCADERO FREEWAY; AND TO PROVIDE GRANT FUNDS FOR SUBSTITUTE PUBLIC TRANSPORTATION AND STREET IMPROVEMENT PROJECTS IN AN AMOUNT EQUAL TO THE COST OF SAID INTERSTATE SEGMENT; AND MEMORIALIZING THE METROPOLITAN TRANSPORTATION COMMISSION AND THE GOVERNOR OF THE STATE OF CALIFORNIA TO JOIN WITH THE CITY AND COUNTY OF SAN FRANCISCO IN SAID REQUEST.

WHEREAS, The unconstructed I-280 segment from its present terminus to its proposed connection with the Embarcadero Freeway is not essential to the completion of a unified and connected Interstate system; and

WHEREAS, San Francisco Board of Supervisors Resolution Number 828-73 strongly opposes the extension of I-280 east of Third Street along the San Francisco waterfront; and

WHEREAS, There exists a clear need for substantial improvement of the public transportation and street arterial systems in the Embarcadero area and other parts of San Francisco; and

WHEREAS, The Federal Aid Highway Act of 1976 contains provisions for granting, under certain conditions, federal funds for mass transit projects and street improvement projects in exchange for a previously approved Interstate segment, in an amount up to the same dollar amount as contained for that segment in the Interstate Cost Estimate approved by Congress, upon the request of local and state authorities; and

WHEREAS, San Francisco Board of Supervisors Resolution Number1047-79 affirms City policy that "the Board of Supervisors will request the transfer of federal money from the Route I-280 extension to other transportation projects along and in the vicinity of The Embarcadero"; and

WHEREAS, The Transportation Policy Group has prepared a list of substitute public mass transportation and street improvement projects which includes the

rebuilding of the Embarcadero roadway and the removal of the existing elevated Embarcadero Freeway and the construction of a waterfront street car line, to be funded by the monies made available by the withdrawal of the aforementioned segment of I-280 from the Interstate system,

NOW,THEREFORE BE IT RESOLVED That 1. The United States Secretary of Transportation withdraw his approval of the unconstructed portion of Interstate Route I-280 from its present terminus to its proposed connection with the Embarcadero Freeway, all of which is located within the limits of the City and County of San Francisco;

2. That this request is filed pursuant to the provisions of 23 U.S.C. 103(e)(4);

3. That the above described Interstate segment be substituted by specific public mass transportation and street improvement projects to better serve the Embarcadero area and other parts of San Francisco for the following reasons:

a. Balanced transportation system - For more than two decades investment of transportation resources has been devoted primarily to automobile-related facilities. In accordance with national policy to reduce energy consumption, a more balanced system of transportation between automobile-related facilities and mass transportation facilities must be established to provide least-cost solutions for the current energy and air quality problems.

b. Efficiency - A higher degree of mobility and a reduction of downtown street congestion can be achieved through greater use of public mass transportation and peripheral downtown parking facilities. By encouraging people to choose public transit rather than their automobiles for downtown travel, greater numbers of people can be moved more quickly at less cost saving both fuel and travel times and mitigating noise and air pollution.

c. Equity - Transportation opportunities for those individuals who do not have access to the automobile, such as the elderly, handicapped, infirm, young, and poor, have been underemphasized, although the number of transit-dependent people is increasing.

d. Preservation of existing resources - The social and economic costs of removing existing housing and business for the purpose of new freeway construction is no longer an affordable option in San Francisco.

e. Downtown access - Completion of the I-280 segment to the Embarcadero Freeway would encourage more automobiles on downtown streets, further burden the overloaded Embarcadero approach to the Bay Bridge, and increase energy consumption. A combined system of public mass transportation, street improvements, and peripheral downtown parking can provide a more effective means of linking I-280 with the downtown and Embarcadero areas and provide greater downtown access with improved center city circulation; and

BE IT FURTHER RESOLVED That the withdrawal of said Interstate segment is based upon transfer of funds in an amount equal to the latest Interstate Cost Estimate approved by Congress to certain substitute projects, ~~a priority list of which is attached as Exhibit A and which are categorized in order as follows:~~ including:

L.P. 1/21/80

1. Embarcadero roadway improvements including reconstruction of the roadway with the provision for rail transit operations and removal of the existing elevated Embarcadero Freeway, and construction of related transit, street, and parking facilities;
2. Other Municipal Railway Capital Improvement Priority List projects which were adopted by the San Francisco Public Utilities Commission on October 23, 1979;
3. Lower Market Street improvements;
4. Other transportation projects; and

BE IT FURTHER RESOLVED That the mileage and cost of the segment to be withdrawn as included in the pending 1979 Interstate Cost Estimate, escalated to June 30, 1979, is as follows: 1.4 miles and $ 69.3 million (federal share); and

BE IT FURTHER RESOLVED That the City and County of San Francisco does not intend to construct a toll road in the traffic corridor which would be served by the segment to be withdrawn; and

BE IT FURTHER RESOLVED That the City and County of San Francisco memorializes the Metropolitan Transportation Commission and the Governor of the State of California to join with San Francisco in the request of said Interstate withdrawal and transfer; and

BE IT FURTHER RESOLVED That the Mayor is hereby authorized and directed to execute the aforementioned request for and on behalf of the City and County of San Francisco; and

BE IT FURTHER RESOLVED That various City officers and employees be, and thereby are, authorized and directed to perform acts necessary to give effect to this resolution ; and

BE IT FURTHER RESOLVED That copies of this resolution be transmitted to the Metropolitan Transportation Commission, the Governor of the State of California and the California Department of Transportation , the United States Secretary of Transportation and the administrators of the Urban Mass Transportation Administration and the Federal Highway Administration, and that copies be made available to the general public.

DISAPPROVING REVISED SCHEDULE OF RATES, FARES AND CHARGES TO BE CHARGED BY THE SAN FRANCISCO MUNICIPAL RAILWAY

WHEREAS, The Public Utilities Commission of the City and County of San Francisco adopted Resolution No. 80-0045 on January 29, 1980 approving a revised schedule of rates, fares and charges for Municipal Railway service, which is quoted as follows:

"WHEREAS, It is the policy of the Public Utilities Commission to maintain transit service at the current level in the City and County of San Francisco, and to increase service when possible; and

"WHEREAS, In order to maintain current levels of service it is anticipated that the operational expenses of the Municipal Railway in fiscal year 1980-81 will be $126,000,000; and

"WHEREAS, Anticipated operating revenues from currently available funding sources for fiscal year 1980-81 are estimated to be $78,000,000; and

"WHEREAS, The difference between the estimated operating expenses and operating revenues for fiscal year 1980-81 therefore portends an unfunded deficit of approximately $48,000,000; and

"WHEREAS, Anticipated operating revenues from the farebox for fiscal year 1980-81 are anticipated to be $30,000,000 with the current fare schedule; and

"WHEREAS, $17,000,000 in AB1107 funds are potentially available in fiscal year 1980-81 from MTC that could partially offset this anticipated deficit; and

"WHEREAS, To qualify for these AB1107 funds in fiscal year 1980-81 operating revenues generated from the farebox must be increased to at least $42,000,000 which will require a revision to the fare schedule; and

"WHEREAS, Failure to obtain this funding will result in the need to reduce the level of service offered by the Municipal Railway; and

"WHEREAS, This Commission has conducted six public meetings at which extensive testimony was received concerning a proposed increase in fares; and

"WHEREAS, As a result of this testimony, this Commission desires that any increase in fares be structured to minimize the impact on current ridership; and

"WHEREAS, Also as a result of this testimony, the Commission desires that increases in fares for seniors, students and handicapped be minimized; and

"WHEREAS, Also as a result of this testimony, this Commission desires to make Fast Passes as attractive and available as possible to the benefit of residents and efficient operation of the system; now, therefore, be it

"RESOLVED, That pursuant to a notice of intention to revise the existing schedule of rates, fares and charges of the Municipal Railway heretofore published as required by Section 3.598 of the Charter of the City and County of San Francisco, and after a public hearing held pursuant to the aforesaid notice, the following revisions to the existing schedule of rates, fares and charges to be charged by the Municipal Railway be and the same are hereby adopted:
